This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of Schideline Altenor's application for licensure by examination. Upon a review of the application, and the results of the Criminal History Background Check, it was ascertained by the Board that although the

applicant had indicated "no" in response to the questions relating to arrests and/or convictions on her application and on the Criminal History Background Check, she had been arrested on September 8, 2008 on charges of shoplifting, and was convicted in 2009 of local ordinance violations with respect to those charges. Ms. Altenor claimed that she checked "no" in response to the questions about arrests and convictions because she believed that the matter had been concluded.

The Board finds that the applicant knew or should have known that by indicating "no" on the application in response to questions about arrests and/or convictions she was providing inaccurate information, and that she therefore engaged in misrepresentation on her application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within order are appropriate, and sufficiently protective of the public health, safety and welfare, in that the offense was an isolated incident and occurred in 2008, and for other good cause shown;

IT IS ON THIS 2<sup>nd</sup> DAY OF June, 2015

HEREBY ORDERED AND AGREED THAT:

1. A \$500.00 civil penalty is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment

shall be in the form of a certified check or money order, and shall be submitted along with this signed order.

2. The applicant's application for licensure shall be granted upon payment of all applicable fees and passing of the required examination.
